About the packages

- All design proposals and elements are created based on your consultation with the designer
- The website is WordPress-based, easily modifiable and user-friendly
- Both packages include **3 basic web pages** based on your input (Home, About us, Contact us)
- The price includes the domain services **for one year**
- The prepared business cards and stamper will be couriered to you

Additional services/extras available (at extra cost)

- Stock photos
- Additional content building (Products, Services, Pricing, FAQ, References)
- Flyers, catalogs, posters, advertising boards, employee's clothing, promotional gifts, banners or other special requests

WE SPEAK YOUR MIND
