

Having a registered seat is essential for a Hungarian company. This is where authorities will expect to find your company; therefore, it is crucial that any incoming mail or enquiries are handled by professionals. **HELPERS** offers a **virtual office package** including a **prestigious registered address**, **daily mail processing services**, and **administrative assistance** to ensure your company's compliance.

BUSINESS ADDRESS

The registered seat and mail forwarding service by Helpers is a **comfortable, reliable, and cost-effective** solution for any foreign-owned company in Hungary. Your registered address will be a **prestigious one in the financial district**, near the Parliament. **Your mail will be handled** and dealt with **by our competent staff** directly, so you will not have to worry about it at all. If something does require your personal attention, **we will send a scan of it to you within 2 business days**, along with a **short English summary** (if the letter is in Hungarian).
